(LISTED BELOW)SUPPLEMENT TO
REPORT NO.

1. In mid-December 1951, the engineer regiment, 9 Army, 2 Field Army, was transferred to P'ingpien (103-40, 22-54), Wenshan (104-14, 23-22), Funing (105-50, 23-24), and Chenpien (105-50, 23-24) to repair defense works along the Vietnam border from Laokay to Cao Bang. By early January 1952, all the regiment had arrived, and work began on the repair project.

2. The regiment had been stationed along the Kwangsi-Kweichow border, where it was removing rails from the railroad section between Tuyun (107-32, 26-15) and Nantan (107-33, 24-58).

1. Comment. Another agency reported in late October that from Kweiyang stated on the basis of information they believed reliable, that the railroad tracks as far south as the Kwangsi border or beyond were removed last year for use in the line south of Liuchou.
